## **Withdrawal Policy**

### **School Initiated**

PUMC Preschool reserves the right to, in extreme circumstances, terminate enrollment of any child if in the opinion of the staff, 1. ## **Classroom Content**

PUMC's Kindergarten Enrichment program enhances grade level skills by exploring educational and fun activities in the areas of, but not limited to, math, language arts, early literacy, science, social studies, fine and gross motor skills. Children will participate in a structured yet flexible program that allows students to continue to gain confidence during their first year of elementary school and build academic and social skills.

## **Parental Observation, Participation and Communication**

We ask that upon entering the premises, the parent or guardian please notify the Director of his/her presence.

### Drop-Off Line

- Available from 8:55-9:05 for AM session
- If you arrive first, stop at the furthest orange cone – See ● on map
- Then pull up to the cones after they have been placed by the teachers
- Place your car in PARK as soon as you pull up to a cone
- A staff member will help your child out of the car, please have them seated on the passenger side so they can unbuckle them safely, without needing to enter the car

### Walk your Child to Class

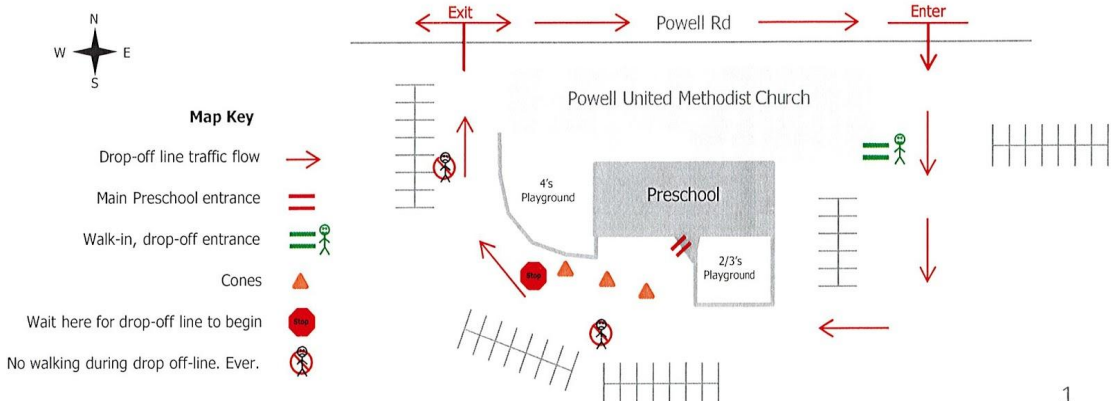

- Park on the EAST side of the building and use the main church entrance to enter the building – See
- DO NOT park on the WEST or SOUTH side of the building and walk through the drop-off line – See
- Walk your child to the classroom

## Departure

- A parent, or designated adult, needs to pick-up their child directly from their classroom
- Use the main preschool entrance at pick-up
- Main entrance doors automatically unlock 15 minutes before dismissal and re-lock 15 minutes after dismissal

## Always Remember

- Children should not be left unattended in a car while coming in for pick-up
- No cell phone use anytime during pick-up or drop-off
- If you arrive early for pick-up, do not leave your car idling in the parking lot while waiting, the exhaust creates a hazardous environment for the children on the playground

## **Lunch**

Children will bring their own lunch. Because of the continuing increase in the number of children with allergies to nuts, do not send lunches that include any nuts or peanut butter.

## **Outdoor Play**

During the warmer months, please apply sunscreen before coming to school as teachers can not put sunscreen on your child. During the winter months, please dress your children for outdoor play. Make sure your child has boots, hats, gloves and a winter coat as classes will go outside as long as the weather permits.

## **Conferences**

There are no scheduled conferences for the Kindergarten Enrichment program. If you have specific concerns you would like to discuss with your child's teachers feel free to call the office, drop a note in your child's school bag or speak directly to their teachers after class. A conference can always be arranged in person or over the phone.

## **Medications**

PUMC preschool staff will not administer medications unless both the 'Child Medical/Physical Care Plan' and the 'Request for the Administration of Medication' forms are filled out, signed and on file. Prescription medication must be in the original container and administered in accordance to the instructions on the label. The prescription must be on the medication and include the child's full name. PUMC Preschool does not administer over-the-counter medications.

## **Addressing Complaints and Concerns**

If an issue related to your child or the school arises, please feel free to address it with your child's teachers. If you are not comfortable doing so or it remains unresolved, please contact the Director, Linda Franz, at (614)847.3773. If the problem remains unresolved, please contact a board member. The Director can provide you with board member contact information.

## **Delay and Cancellation Policy**

Any school delay or cancellation, weather or otherwise, will be posted on our Website, Facebook and be texted to you via the Remind system. We may also occasionally need to cancel school for church funerals or other unforeseen emergencies.

## **Discipline Policy**

Our discipline policy is in compliance with ODJFS Rule: 5101:2-12-22 and consistent with the warm and nurturing environment of our program. Discipline is always handled in a positive manner; methods of discipline include regular routines, consistent expectations, positive reinforcement and redirection. We believe these methods encourage a child to grow in self-discipline and awareness without causing emotional or physical harm. If these methods prove ineffective, a parent/teacher conference will be held. Physical or psychological punishment is never permitted.

## **Confidentiality**

A secured file is kept on each student in the office. According to the State of Ohio Job & Family Services regulations rule #5101:2-12-37, all children's records shall be confidential except to teachers and office staff. Teachers and office staff have access to these files in order to tailor educational material to individual students and to meet their personal needs.

Contact information for parents/guardians of the children attending this facility is available upon request. This information will not include the name, telephone number or email of any parent/guardian who requests his/her information not be included. If you would like your information to not be available to other parents/guardians, please notate this on your child's registration form.

Other appropriate agencies may access student information for additional, specific reasons. For example, State Licensing specialists check our files to ensure they are compliant with State standards and the Health Department checks for purposes of disease outbreak control and immunization level assessments.

## **Custody Agreements**

If there is a custody arrangement that affects your child, you must provide PUMC Preschool with court papers indicating who has permission to pick up your child. PUMC Preschool can not deny a parent access to their child without proper documentation.

## Communicable Diseases – When to Stay Home

Staff and children wash their hands often; however, children can still become ill from time to time. PUMC Preschool staff has been trained to recognize signs and symptoms of illness and if, in a teacher's judgment, a child demonstrates any of the below signs or symptoms they will be isolated from the other children while their parent or guardian is being contacted.
